Our aim for the new year is to develop and release more exciting and effective products for you.

To begin the year, we won't wish you what you want, but we wish you what you can make happen because you want it bad enough for 2010! Happy new year and have fun achieving your goals.

CResults Christmas Break Up—Sensational!

After much planning and relocation, a mystery was organised for our Christmas break up and we ended up at Jersey Boys! It was a sensational show followed by supper at High Society on Collin Street. We had great fun at Jersey Boys with lots of singing, during and after the show! Thank you to the consultants who came and shared this night together.

Congratulations to all the consultants who worked hard in 2009, provided great services for their customers and have shown how successful a small business can be. Well done to all of you.

Successful Bush to Beach Bash

The Bush to Beach Bash pamper weekend was an extraordinary one as Anne, Helen, Lesley, Lin and Cheryle pampered 75 ladies with Manuka Honey miracle facials. We met and pampered the most wonderful ladies and it was a personal joy to be presented the opportunity to give and share time with them all.

We were booked out in just 30 minutes after registration opened and were the most popular item for the weekend! Unfortunately, there just wasn't enough of us "Manuka Honey Ladies" to go around so a lot of ladies did miss out.

All consultants who came had a good time bonding with these ladies and sharing something great in times of hardship. We were all presented with lovely gifts and gratitude by Christine Dear, organiser of this wonderful Bush to Beach Bash event. Thank you to all the consultants who participated and thank you to Christine and her team for this great day. We are looking forward to continuing spreading this great experience. If you have any ideas or events you would like us to be a part of, please call us on 03 9844 5657.
